February 27th 2014

To whom this may concern:

DG Air Freight specializes in dangerous goods in Australia. DGM Houston, have had the pleasure of working with DG Air Freight for the past 2-3 years now. We have been working directly with Brad Nicholson the managing director of, DG Air Freight.

Both Brad Nicholson and DG Air Freight have a professional and compliant service that we would be happy to recommend.

Their skills and ability to service customer's requirements are second to none. DG Air Freight continues to provide support and guidance, and keeping all certifications up to date with their local customs, laws and regulations.

I think you would be doing yourself a great service by using DG Air Freight for any dangerous goods needs.

For additional information regarding DG Air Freight please feel free to contact me at the number below.
